WEIGHT: 400 G

PAGES: 36

SIZE: 26 x 24

LANGUAGE: ES / IT / PT / CA / GL / EU / EN

RECOMMENDED AGE: 4+ YEARS

Marmotte gets a watch as a birthday present. It seems like an insignificant object, at least for Magpie. But Marmotte will show, very cleverly, how his watch is not just a watch. With this lovely fable told by Roberto Aliaga and magnificently illustrated by Amrei Fiedler, we will learn to identify the true value of things and we will realise how most of the time, less is more.
